## Schedule:

**Friday**-Arrive. Private lessons (\$50 added cost) must be arranged in advance. It is recommended that you arrive on Friday if you're coming from out of town, so you're rested for a full day of riding.

## Saturday & Sunday

Plan for 5 to 6 hours in the arena daily, with a break for lunch. How the time is divided will depend on the weather

We have some pens available at no additional cost. If you have a portable pen, there is plenty of room for you to use it. Bring your own feed, water bucket, and tools to clean your pen. Feel free to arrive on Friday whether or not you are taking a private lesson. You may camp. Our shower and bathrooms are available for your use.
